

PARTNERSHIP FOR GOOD

Join the Partnership For Good community and help improve the quality of life of children and families in need in local communities across the nation, while fostering employee engagement and reinforcing your brand's commitment to social responsibility.

Impact

With your support, the GSF Foundation helps children and families in need receive access to food and basic needs, academic enrichment and youth development programs, and family support services.

Since the GSF Foundation's inception in 2002, we have:

- **Raised \$60M+ to support programmatic work** in local communities
- **Supported 850+ charities and schools** through employee nominated grants
- and currently, **80% of GSF employees** invest in the Foundation's mission annually

We're proud to say that **100% of your gift** benefits children and families in need.

What Does Partnership Look Like?

- Connect with key stakeholders from Golden State Foods
- Network with leaders across industries
- Give back to local communities while engaging your employees

82% of Americans say it's important that the company they work for make donations to charitable organizations.

81% of Americans say it's important that companies they buy products and services from partner with charitable organizations.

Source: Global Strategy Group conducted a nationwide survey of 2,000 general population adults between April 26th and May 1st, 2023.
